A spokeswoman for Arizona Senator Jeff Flake, another Republican seeking to block the bill, did not indicate whether and how lawmakers could reconcile Flake's proposal with Glazer and Blumenauer's.. Glazer's bill would make companies liable for paying their share of taxes up to 10 percent of their foreign earnings. The current bill was set to rise to 25 percent over 10 years for income over \$500,000.. Gloria Steinem said the Republican proposals were a "dangerous gamble by both parties" and that it showed the need for more cooperation in Washington.. In a statement of her own, Glazer said "we need to restore the fairness of our nation's tax code, while giving Americans a fair chance to do the right thing.".. State Senator Steve Glazer and Representative Earl Blumenauer, two Republican U.S. lawmakers seeking to block new laws that raise the rate and length of time corporations must pay federal taxes at least in part to offset corporate profits, announced their plans on Twitter.

Utorrent was conceived and launched by Aayush Rai in early 2012 with his friends Prabhu Deshpande and Vidyarthi Subramanian. The channel launched as a subscription service to showcase a variety of quality movies featuring a local community with no commercials. The main idea behind the show was to highlight the unique qualities of local people and help raise funds for the local economy which was at the time almost non existence.
